“On Tyranny: Twenty Lessons from the Twentieth Century” by Timothy Snyder

I am asking that we do something a little different for this meeting. This book is only 126 Pages, divided into the 20 lessons (which are all excellent). Timothy Snyder has recorded a short synopsis of each chapter on YOUTUBE. I would like you to read the book and watch his recordings. The talks are not very long and won't take long to watch. Watch as many or few as you want. We will be showing three of the clips as we talk about the chapters. Chapter 13 is one of my favorites. Choose one chapter you identify with the most or makes the most sense to you and send the chapter number to me. I will pick the clips from your choices. Anita Young has agreed to help me by showing the videos.

The Videos are called: Timothy Snyder: On Tyranny: Twenty Lessons from the 20th Century.

Here is the link: https://www.youtube.com/channel/UCmY71FGkk5kMwde_TP3KbnQ . Just copy the link and paste it into your search bar. The link will come up on your screen as Timothy Snyder YouTube. It should be the first one under web results. Click on that and the series of talks will come up on your screen.

We will be selecting the books for Winter Session A-B and C during this meeting. Please send choices to me if you have any.
