**TRIUMPH OF CHRISTIANITY:** In *The Triumph of Christianity*, Bart Ehrman, a master explainer of Christian history, texts, and traditions, shows how a religion whose first believers were twenty or so illiterate day laborers in a remote part of the empire became the official religion of Rome, converting some thirty million people in just four centuries. *The Triumph of Christianity* combines deep knowledge and meticulous research in an eye-opening, immensely readable narrative that upends the way we think about the single most important cultural transformation our world has ever seen—one that revolutionized art, music, literature, philosophy, ethics, economics, and law.

“How did a small, provincial Jewish sect called Christianity convert the mighty pagan Roman Empire? Bart Ehrman answers this baffling question with the same wit, passion, and rigorous scholarship that have made him one of the most popular religion writers in the world today. *The Triumph of Christianity* is a marvelous book.”— Reza Aslan, NY Times bestselling author of *Zealot*
