

10:00 AM TO 12:00 NOON

Coordinator:
Arleen Allsup

TRAVELS AROUND THE WORLD: Far away places with strange-sounding names. In this course, we'll hear from members about their travel, including videos, pictures and personal anecdotes about their experience. We'll also explore exotic places in the world that we may never get to - Uzbekistan, Tasmania, Madagascar? Who knows where else? The world is our oyster. Come explore it with us!
