

1:00 PM TO 3:00 PM

Coordinator:
Bruce Clifton

PROPAGANDA: Come and learn about propaganda and its various forms of strategies that manipulate the human mind. By the end of this course, we will be equipped with valuable knowledge and skills that will enable us to spot propaganda. Success in our modern world requires our ability to navigate through these obstacles. Come and have fun with your MICL friends as we learn, discuss, and grapple with the issues of misinformation we face in our everyday lives.
