**HISTORY OF INDIA:** The success of the MICL Russia and China classes has inspired us to tackle the awesome civilizations of South Asia. Each hour will begin with a half-hour presentation titled "History of India" by Professor Michael H. Fisher of Oberlin College followed by class discussion. As the class progresses we will hear from people of South Asia which includes India, Pakistan, Bangladesh, Nepal, and Sri Lanka. Select YouTube videos will be used to ground the discussion with the realities of these societies today. You will be amazed!
